

*LUNA ROUND HOLE is a range of recessed luminaires with high efficiency.
This downlight product range teams exquisite, consistent design with high levels of practical functionality.
Due to the special cover, it is ideal for various applications where diffuse lighting is needed.*

Technical Features

- Inner body from die-cast aluminium.
- Outer ring from die-cast aluminium painted electrostatically in selected colour or plated.
- Sandblast methacrylate PMMA cover, with built - in reflector made of glossy anodized high-purity aluminium.
- Pure light without IR/UV radiation.
- Efficient thermal management.
- Operation life: 50,000 hours with efficiency > 80% of the initial luminous flux (L80B10).
- Connection for operation with Constant Current.
