

CLUB

Surface & Pendant Spotlights

The CLUB luminaires highlight impressively premises, such as shopping malls, stores, hotels, exhibition halls, museums etc. They are compact and efficient and they have excellent colour quality and high-precision light distribution. The LED chip is available in two colour temperatures, warm and neutral. The luminaire is ON/OFF or dimmable and it can be mounted on track or on ceiling.

Technical Features

- Aluminium body, painted electrostatically in selected colour.
- High pure aluminium reflectors in Spot, Medium, Wide versions.
- With point outlet for surface-mounted installation.
- Connection for operation on 230V-50/60Hz with electronic ballast.

For LED Version

- Pure light without IR/UV radiation.
- Efficient thermal management.
- Operation life: 50,000 hours with efficiency > 80% of the initial luminous flux (L80B10).
- Connection for operation on 230V/50Hz.

Upon request:

- Available with highest colour rendering index (CRI).
- With rosette for recessed mounting (see photo below)

CLUB

CLUB 60 - GU10

- Version for LED PAR16/GU10.
- Aluminium body.
- With point outlet for surface-mounted installation.
