

NEMESIS SPOT is a miniature recessed spot, without rotation. It is ideal for smooth ambient lighting or accent lighting inside display cabinets. The last generation LED chip ensures excellent performance with maximum energy efficiency. This, in combination with an efficient thermal management, makes NEMESIS SPOT a warranty for premium lighting with LED technology.

Technical Features

- Aluminium body, painted electrostatically in selected colour.
- Reflector in glossy black colour (for standard version).
- Lens in Medium and Wide version.
- Pure light without IR/UV radiation.
- Low glare (UGR < 19).
- Efficient thermal management.
- Operation life: 50,000 hours with efficiency > 80% of the initial luminous flux (L80B10).
- Connection for operation with constant current.

Upon Request

- Available with highest colour rendering index (CRI).
- Reflector in matt white or matt silver colour.
